VOL. XLIV. UPLAND, CALIFORNIA, FRIDAY, MARCH 3, 1939. NO. 89.

City Hall Opened Today; Many Are Present For Event

Taxpayers celebrated here today.

Many persons were at the city hall this afternoon for the first official glimpse inside the building that was opened and dedicated in a program beginning at 2 p. m.

Today's celebration was unique. City officials were repeatedly told by their fellow citizens that the city hall building project was capably negotiated and that the community is justly proud of what has been accomplished—without any direct cost to the taxpayers.

There was no special "build up" for today's festivities. An enthusiastic group of citizens united to see the building and representative civic leaders expressed the feeling of gratitude.

FLAG IS RAISED

To the tunes played by the Chaffey band, the American flag was hoisted to the top of the flag pole at the D street entrance. This ceremony was under he direction of the Upland post of the American Legion, assisted by three Eagle Boy Scouts. The Rev. George West Barrett, rector of St. Mark's Episcopal church, delivered the invocation.

With President Fred H. Jacobs of the chamber of commerce presiding, representatives of various organizations were introduced. Each one praised the foresight of the city, its officials and the manner in which the building project was handled.

SPEAKERS LISTED

Speaking were Floyde L. Atwood, for the American Legion; Mrs. L. A. Fox, president of the Upland Woman's club; Mrs. E. Tweed Stone, president of the Upland Business and Professional Women's club, and R. F. Lemon, vice president of the Lions club. Richard G. Manley, in the dual role of city manager and president of the Upland Rotary club, was also presented.

Former city councilmen were then introduced as were also the present councilmen—A. H. Johnson, V. H. Wilson, C. Ernest Olson and Perry Long.

In recognition of his quarter century service on the city council, Mr. Johnson was presented a certificate of honor by President Jacobs on behalf of the community. This certificate, framed, was signed by Mayor D. J. Cameron, City Clerk E. C. Mehl and Judge Jacobs.

PWA OFFICIAL SPEAKS

J. W. Bournier, assistant regional director for the PWA, spoke on behalf of the federal agency. He was followed by Mayor Cameron, who briefly accepted the structure on behalf of the city.

Reference was frequently made by the speakers to the city's development of a 20-acre lemon grove, sale of which resultd in the creation of a $40,000 building fund. This money represented the city's part in the PWA city hall building project.

Since the building fund was created without any direct cost to local taxpayers, the project is generally considered unique.

Following the festivities, the visitors inspected the new building. Orange juice was served to everyone through the cooperation of the chamber of commerce and various local citrus associations.

Framed in a border of trees, the uniquely attractive concrete building was accepted as the community's outstanding edifice.

The day's celebration events will not be over until late tonight.

HONOR EX-COUNCILMAN

In the Upland Woman's club house, officials of many cities in the citrus district will be here to attend a League of Municipalities meeting. Former councilmen who had an early part in the development of the citrus grove project will be honored. Scheduled to be present are the following ex-councilmen: P. H. McQuillen, Godfrey Andreas, Elmer Mathews, Fletcher H. Manker and Fred E. Draper.

Dr. Emery Olson, U. S. C. school of administration dean, will be the principal speaker. More than 100 persons are expected for tonight's program.

To Speak Tonight At Cities' Meeting

DR. EMERY E. OLSON

Dean of the U. S. C. school of government, who will speak at tonight's meeting of the Citrus Belt League of Municipalities in the Upland Woman's club house. "Scientific Management in Municipal Government" is his subject. He is also president of the Los Angeles Civil Service commission.

DR. DEXTER WILL HEADLINE PROGRAM

Auditorium Opening To Be Featured by Educator's Address

With Dr. Walter Dexter coming as the principal speaker, dedicatory program for the new Chaffey auditorium two weeks from today is being completed.

As state superintendent of public instruction, Dr. Dexter is one of California's outstanding educators and his address will further focus attention on the opening of Chaffey's $400,000 structure.

The March 17 program will be the first in a series of events arranged to fittingly introduce the public to the structure that will give the community an auditorium of 2,600 seas.

Equipped with moving picture sound apparatus, with a large stage, with classrooms and other facilities, the auditorium is expected to play an important part in cultural development of the community.

An impressive program is being arranged for the dedicatory services following Dr. Dexter's address. Members of the Chaffey board of education and other persons having a part in directing the construction work will be on the program.

Dick Highsmith's European Bike Trip Related to Lions

Experiences on his interesting bicycle tour of Europe were vividly related by Dick Highsmith at the meeting of the Upland Lions club in the Red Hill Country club at noon yesterday.

With two companions, the Uplander pedaled through half a dozen countries last summer and fall. When the German-Czech crisis occurred Mr. Highsmith was within a few miles of the Czach border. Elsewhere on his tour he observed military activities occasioned by the international situation, he explained to the group.

"Main object of our trip, however," he said, "was to have some fun and not to study the customs, history and diplomacy."

In England the trio of young men purchased bicycles. Eleven hundred miles later they sold them for a reduction of only $2 in their purchase price, he related. Earl H. Johnson was program chairman, with President Howard Mason in charge of the meeting.

Police To Remain At Present Office For Several Days

Upland policemen will continue to use their old headquarters and not occupy their facilities in the new city hall for several days, it was revealed this afternoon.

Desks and other equipment permitting installation of telephones have not been installed. For this reason the officers will continue to occupy their present headquarters.

City's Beautiful Municipal Edifice Opened In Program

Shown above is the D street frontage of Upland's new city hall, which was dedicated and opened in ceremonies this afternoon. "Open house" was observed this afternoon following the dedicatory program. Bringing together all the municipal departments, the structure is one of the most attractive sructures in the citrus district.

PRACTICAL TIPS ON VOCATIONS TO BE GIVEN MONDAY

In order to give students an opportunity to hear at first hand of requirements and openings in their chosen vocational fields, the fourh annual vocational conference will be held a Chaffey junior college Monday from 10:30 a. m. to 2:30 p. m.

Speakers will be representative business and professional men and women from Southern California. Several are former Chaffey students. Subjects cover everything from agriculture to commercial art.

NEW SUBJECTS COVERED

New vocations and trades which have been added to the conference sessions for the first time this year are nursery practice, with Bruce Chaffin as speaker; building trades, represented by W. F. Rugg, and air conditioning, a group which will be addressed by James Johnson.

Other speakers and their topics are: Dr. W. H. Chandler, dean of men at the University of California at Los Angeles, agriculture; Svend Petersen, head of the training department, Lockheed Aircraft Corporation; Dr. Stephen Craig, medicine and x-ray.

BEAUTY PARLOR INCLUDED

Mrs. Perie Donahue, Ontario Beauty college, beauty culture; Paul Ashby from the University of Southern California School of Government, public administration; William Maxwell, Mt. Baldy district forest ranger, forestry; R. B. Stringfield, Los Angeles chemical engineer, chemical science.

Oregon Smith, law; Dr. Peter Spencer, Claremont colleges, elementary teaching; Mrs. Marjorie Adams, Los Angeles Art Center, commercial art; Mrs. Elizabeth Hurst, technical adviser for Metro Goldwyn Mayer studios, library work; Mrs. Gabrielle Mulvane, San Bernardino County Hospital, nursing.

Miss Jean Travis Krueger, Santa Barbara State Teachers college, home economics; Mrs. Beatrice Boro Phelps, director of costume design at Chouinard Art Institute, home economics; Miss Patricia Hosford, community chest worker in San Diego, social work.

AIDS WILL BE GIVEN

The Rev. Paul Goodwin, Ontario First Baptist church, religion; H. B. McAffe, California Employment service, "How to Apply for a Job"; Miss Anne Leidendeker, head of the Los Angeles City Library Science department, commerce; Dr. H. P. Allen, Claremont colleges, high school teaching; Milton Chapman, "Personality in Business"; Dr. Floyd Ruch, associate professor of psychology at the University of Southern California, psychology; P. C. Conn, director of the Trojan band, music; Dr. Benjamin Scott, professor of public address at Pomona college, speech arts, and Carl Joehnck, General Electric company, engineering.

Harry Fies To Go To San Francisco To Meet Official

Harry S. Fies of the local post office, state president of the Rural Letter Carriers of California, will leave Sunday for San Francisco to prepare for a banquet and meeting to be held Tuesday evening, March 7, in that city, in honor of Ray Combs of Washington, D. C., national president of the Rural Letter Carriers organization.

Mr. Fies will be accompanied by J. C. Haskell of Riverside, state secretary, and the two will make the trip by motor. They expect to return Wednesday.

New Municipal Building Includes Everything For Service of Community

It's got about everything.

This community's new city hall is something to look at—and for Uplanders to show off to visitors. Not hidden by trees, but with just enough greenery atmosphere around the parkway to add a touch of color, the building has simplicity, dignity and a slight modernistic touch.

Rectangular in shape, well supplied with windows and its attractive and distinctive entrances opening out onto Second avenue and D street, the building is departmentalized to make it easy for Uplanders to get service.

Floodlights will vividly illuminate exterior of the municipal edifice at night.

CITY WATER OFFICE

All Uplanders have to pay their water bills and just a few steps inside the building through the Second avenue entrance is the door opening into the well lighted city water office. This office and the city manager's office are in the southeast portion of the new building. Automatic billing machines will be used in making out those familiar postal card water statements. These machines and other bookkeeping equipment will be in a small office opening off the main office.

Perhaps the building and engineering department is favored more than any other municipal division in improvements over what it has formerly had. In the northeast corner of the building are rooms for employes of these departments. A huge vault will safely keep the many maps that have previously been bundled together in cramped quarters. Files and records that have been piled up in all available corners will be kept neatly and orderly in places made specially for them. Draftsmen and the building superintendent will have their own desks and offices for use in handling the many details of the various WPA and city projects.

WHAT A CHANGE

Those who have been at city council meetings in the police station quarters will be amazed to see the contrast between the old and the new. There will be plenty of room now for all visitors—providing the protests don't draw too many people. More than 60 upholstered seats are in the spectators' section of the city council chambers in the north central portion of the structure.

Dignity as well as more space and comfortable accommodations have beeen added to the room for council deliberations. A large directors' table is surrounded by comfortable leather chairs for all of the councilmen, city manager, city attorney and city clerk. Believe it or not, the council also provided a table for the press—but no upholstered chair.

JUDGE GETS QUARTERS

This same room will also be used by the city judge in deciding the weighty court cases. A rostrum and desk, just like the facilities in the big city court rooms, have been included in the equipment. Attorneys in court cases will be privileged to use the city council table. This table is directly in front of the judge's bench. A private office for the judge opens off of the court room.

All of the western portion of the city hall is devoted to the police department, private office for the chief, photographic room and jails for men and women.

FOR PRISONERS' USE

An entrance at the west end of the structure is designed for use by the officers in bringing in accused persons. A desk for use in booking the accused persons is near the west entrance, with the jails in the northwest corner. Eight men and four women is the capacity of the jails.

Rest rooms and storage spaces are in the basement.

NEW CITY HALL USED FIRST TIME

Upland Council Holds Session in New Chambers Last Night

Occupying soft cushioned seats around a large table in an atmosphere of dignity, the Upland city council met in the new city hall for the first time last night. Half a dozen interested visitors were in the small auditorium.

William Beard has the distinction of being the first private citizen to appear before the council in the new chambers. His Allura Farm Dairy is only a short distance from the city's dump on Eighth street at Grove avenue. Smoke from the burning debris is a nuisance, he told the council and asked that a new site be chosen.

TO FIND SITES

Acting on his request, the council instructed City Manager Richard G. Manley to investigate possible sites where local residents might dump their rubbish.

With this matter of business over, the officials examined their new seats, rocked back and forth, and praised Mr. Manley and other city employes for their faithfulness in handling building details.

Along with getting a new place to meet, the council also gets a new gavel for use by the mayor. A gift package was on the deliberations table when the officials arrived. Mayor D. J. Cameron opened it to find a gavel, a gift from the Mehl Hardware Co.

LONG PRESENT

Perry O. Long, councilman, who has been ill for several weeks, was present for most of the meeting.

Monthly reports on municipal business in February were reviewed and other transactions were handled. One hundred and thirty arrests on traffic violations were made. Ten persons were arrested for intoxication and 14 on gambling charges during the month, it was reported.

Social Relationship Of Boys, Girls To Be Speaker's Topic

"Social Relationships of Boys and Girls" will be the topic of Mrs. Gertrude Hasbrouck when she gives her third in a series of lectures on the alodescent child in the Chaffey junior college auditorium, Tuesday, 9:30 o'clock.

CITY TO ADD NEW EMPLOYE IN FIRE, POLICE PROGRAM

In a plan to coordinate the efforts of the police and fire departments, one man is to be added to the city pay roll, according to a resolution adopted by the city council. The resolution was adopted at an adjourned meeting Feb. 24. The fact that it had been passed was revealed at last night's council meeting.

TO AID POLICE

The new employe is scheduled to serve as night desk sergeant in the police department as well as being on hand to handle fire department calls. Fire Chief Jake Voth and DeVon Francisco, present full time firemen, will handle the daytime duties, with Mr. Voth scheduled to devote much of his time in making inspections.

During an informal discussion last night the council decided to delay appointment of the additional employe for two weeks.

For several years the firemen have been answering the police calls at night through a special telephone connection. For the future, however, the council concluded that an additional man would result in better service of both departments.

ON FULL-TIME DUTY

Under the proposed plan, some officer will be at the police department at all times—the new employe at night and either Fire Chief Voth or Mr. Francisco during the day. Present members of the police department will thus be permitted more time on regular patrols, according to expectations of those in charge.

Pay for the additional employe will be divided between the fire and police departments.

Other Actors for "As You Like It" Chosen at Chaffey

Completing the casting of major roles in the Chaffey junior college interpretation of Shakespeare's comedy, "As You Like It," Ross Haynes, Miss Kathleen Beckley and Miss Peggy Grahame were chosen this week by Mrs. Ruth Tremaine Kegley, Chaffey drama coach.

Haynes will take the part of Jacques, the cynical courtier, the Shakespearean character made famous by his speech, beginning "All the world's a stage." Miss Beckley and Miss Grahame are the singing pages of the piece. Leading parts, which were announced last week, include Harold Salisbury as Touchstone, the jester.

Red Hill To Seek Golf Victory for League's Top Spot

Red Hill and Redlands golf teams will battle it out for top position in the Southern California Golf association tournament when the club wielders meet in Redlands Sunday.

Only one point difference between the two teams, winner of Sunday's event will probably rest on top in the league standings at end of the day.

Red Hill won its first match in the tourney but lost at Oakmont las Sunday.

Members of the Red Hill team for Sunday follow: A. O. Allen, Veeder South; Jerry Bowden, Rudy Brumond; C. C. Denio, Milo Vickery; Lloyd Dickens, B. L. Bergstrom; Milton Davenport, Joe Marshall; Beecher Hungerford, Clyde Duncan and Norman Lawson, Ralph Crook.

Antitoxin Used in Girl's Malady But More Funds Needed

Use of $150 worth of special antitoxin was today credited with having a major part in saving the life of a fifth grade Upland girl at the San Antonio Community hospital.

Her blood stream infected as the result of a common playground accident, Darlene Cahail, dangerously ill for several days, is improved and her recovery is anticipated.

The little girl has been given the benefit of all the hospital laboratory equipment and the fruits of medical research even though there are not enough funds at the hospital for such cases. An appeal was voiced today for interested persons to contribute to the fund.

TO KEEP ON

Dr. A. A. Aita, superintendent, emphasized that lack of money would not prevent continued administration of the valuable antitoxin, but he advised the public of the situation in the hopes that the case would not unduly strain the hospital finances.

It is not uncommon for school children to fall while playing. While Darlene's knee was bruised in a fall, the skin was not broken—and she continued to play. In a rare manner, however, the girl's blood stream was infected and she became critically ill. The mortality rate in such cases is more than 75 per cent, Dr. Aita said.

VACCINE DEVELOPED

Immediately the organisms causing the infection were analyzed and a vaccine was developed at the hospital. A staphylococcus antitoxin is the substance used along with the vaccine to treat such cases. Total of 240,000 units of the antitoxin has been applied and it will be used for several more days at the rate of 20,000 units a day.

Dr. Aita said the girl's temperature has on several days been up to 106 degrees. Continued treatment is resulting in the attendants becoming more hopeful.

Money from the sick baby and free bed funds and from the Red Cross and Coordinating Council has been used to partially pay the $150 antitoxin bill already created, the official said.

The little girl is one of a family of six children, whose parents moved to Upland in September.

LEGIONNAIRES ARE GUESTS AT DINNER

Woman's Auxiliary Entertain To Celebrate Birthday Of Local Post

Upland unit of the American Legion Woman's Auxiliary scored a marked success and won the appreciation of the local Legionnaires last evening when the women entertained with a dinner for members of the Upland Legion post in celebration of the twentieth anniversary of organization of the local post.

TABLES DECORATED

The dinner tables were handsomely decorated with sweet peas and acacia blossoms, large baskets centering each table. Other bouquets were held in cream-colored pottery vases and the candles that completed the decorative arrangement were supported in cream-colored pottery holders. Various pastel shades were employed in the decorations and the place favors were tiny birthday candles, also in pastel shades, set in gumdrop holders.

MANY ATTEND

More than 60 members of the unit, Legionnaires and several other guests were in attendance.

Mrs. I. J. Linkey, president of the Auxiliary unit, presided and extended a welcome to the Legionnaires, congratulating them upon their post's twentieth birthday anniversary.

ROGERS RESPONDS

Francis H. Rogers, commander of the post, responded to Mrs. Linkey's greetings and introduction of guests was made by Mrs. Linkey.

This was the time for the unit's regular meeting and Mrs. Linkey conducted a very brief business session.

PROGRAM GIVEN

Following the dinner hour Annette Linkey, daughter of the unit president, played a group of piano solos, delighting the audience with her excellent performance.

Another entertainment feature was provided by Ernest Tweed Stone, who showed several reels of his very beautiful and interesting colored motion pictures. The films included various places Mr. Stone had visited in California and scenes of desert, mountain and forest were shown and all were greatly enjoyed. Community singing also was enjoyed for a time.

170 MEN TO START YEAR'S WORK SOON ON HUGE PROJECT

Eighth Street Storm Drain Will Be Placed to Check Flood Water

As an important unit in the district-wide flood control program, a huge storm drain will be placed on Eighth street east of Euclid avenue to the Cucamonga wash, actual work to be started March 21.

Final arrangements were completed yesterday to place 170 men on the job and the task will require more than a year. Sum of $181,173 has been allotted by the PWA and the county to finance the undertaking.

TO CATCH FLOODS

Purpose of the work is to catch the flood waters that pour down Euclid avenue and all other intervening avenues and carry the flow over to the Cucamonga wash. Another project calls for placing a series of dams in the wash to induce the run to seep into the underground basin.

The storm drain work will be similar to the Fifteenth street project, recently completed.

Work on the new project will begin at the Cucamonga wash and the crews will advance toward Euclid. The excavation from the wash to Campus avenue will be 5 feet wide and 5½ feet deep. From Campus to Euclid avenue the drain will be 4 feet wide and 4½ feet deep. Reenforced rubble concrete will be placed in the excavation to form the storm drain conduit.

COUNTY PAYS $10,514

As the sponsor of the undertaking, the county will pay $10,514, amounting to an estimated six per cent of the cost. The balance, $170,659, will be paid by the WPA.

The entire drain will be 5,600 feet long and will require nearly 18,000 yards of excavation.

Its construction has been approved by the city engineers of both Ontario and Upland and by the state flood control engineer. County officials said that the project, combining flood control and water conservation works, is of a type "badly needed in the West End."

For the sponsor, the job will be supervised by R. V. Ward, county flood control engineer, while R. E. McGonagle, deputy project engineer, will be in charge for the Federal agency.

Ernest Farmer in Leading Role for Senior Class Play

Starring Ernest Farmer as a typical college youth, the three-act comedy of Philip Barry, "Spring Dance," will be presented in the junior college auditorium tonight and tomorrow by senior members of the Chaffey high school dramatics class. Both performances at 8 o'clock are open to the public.

Prudence Relph fills the supporting role of Mady Platt, a co-ed, in this drama of Amerian college life. Charles Arthur is one of those in charge of the lighting and stage crew. The programs are being made by a committee headed by Phyllis Atwood, with Lela McClelland as faculty adviser.

Wigwag Appeal Will Be Sent to Pacific Electric by City

Pacific Electric Railway Co. will be urged to place wigwag traffic signals at Central avenue and East Arrow highway crossings of the interurban tracks by the city of Upland.

Upland councilmen last night instructed the city manager to emphatically insist that the company place the signals at dangerous crossings. This action is the outgrowth of two tragic crashes at the Central avenue crossing within a year.

The Santa Fe maintains a wigwag at its Central avenue crossing, a short distance south of the Pacific Electric crossing, it was pointed out.

TODAY'S BIBLE VERSE

Look unto Me, and be ye saved, all the ends of the earth; for I am God, and there is none else.—Isaiah 45:22.

Alcatraz an Attraction

It seems that a great many San Francisco residents are worried about Alcatraz prison being so close to their city—and are of the opinion that fact is going to keep many people from attending their Golden Gate International exposition. To most people such an attitude seems silly. But as indicative of the mind of San Franciscans we quote the following from a letter which recently appeared in a San Francisco paper:

"The utter nonsence of allowing Alcatraz prison to fill the minds of the citizens of this beautiful city is repugnant beyond measure. A movement should be started immediately to bring about the removal of this horrible place, to some 'Devil's Island' some place in the Pacific.

"A petition from the people would bring this 'thing' to a sudden termination, so far as location is concerned.

"Let's get busy and get this awful 'thorn' from our side. The prison is constantly in the papers and it is taking the place of one of the most beautiful spots of the bay which should be used for park purposes or almost any other use than for which it is now being used."

Commenting on the above letter, the San Bernardino Sun says:

"Alcatraz island is the residence of some of the most desperate criminals in the United States which have been convicted of crimes against the Federal government. It was the habitat of Al Capone, who has since been removed to a hospital at San Pedro.

"But enough of the outlaws of the Capone stripe remain in the prison to make it an object of interest and curiosity to more persons than any exposition could possibly be.

"It is true Alcatraz is a most beautiful island. Motorists crossing the San Francisco-Oakland bridge see little of it, mostly because of the ramparts on the bridge. Automobiles are required to pass over the structure at a reasonable speed. Passengers on the ferries get a glimpse of Alcatraz, but most of the ferries are now in the limbo of forgotten things.

"But the visitor to Treasure island will get a fairly close and uninterrupted view of this famous spot. If the average sojourner to Treasure island does not get more satisfaction out of gratifying his curiosity about Alcatraz, of which he has heard so much about, than in viewing the fair we shall be vastly surprised.

"Fairs and expositions are by no means uncommon. They recur in this republic at frequent intervals. Indeed, two of the most conspicuous examples of American predilection for fairs and expositions will be proceeding in this land of the free coincidentally all this year.

"But there is only one Alcatraz."

Perhaps The Sun is "putting it a little strong," but there is no doubt about Alcatraz being an attraction and not a detriment to the San Francisco area. People are attracted by anything that is different—they want to see it whether it is pleasant to look at or not. A notorious character will draw a crowd—not because they admire him, but to satisfy their curiosity. There are many notorious characters on Alcatraz island. The curious will not see them, but they will see the beautiful spot on which is built the prison that holds them—and their curiosity will be more or less satisfied. Of course, it would be necessary for them to get a look at the "hard boiled" criminals in order to get complete satisfaction.

If San Francisco people are looking for something which is really a detriment to their city and something to worry about they need look no further than their labor situation—there's something for them to really worry about. It is our humble opinion that labor troubles are driving away and keeping more people away from San Francisco than any other one thing that could be mentioned.

Alcatraz is nothing to worry about. Some months ago when we were in San Francisco we were greaty interested in getting a look at that famed island—and there were several hundred other people in the crowd who had the same curiosity.

—o—

Perhaps a great many persons who are not in business accept the various new paternalistic laws of our government as something that is paid for out of the blue sky. The beneficent hand of that something we call "the government" is credited with handing out the money for all the various new agencies of the government. It might be interesting to any such to learn that during the past five years taxes on business have doubled and tripled in many instances. That is part of what social security and other government aids cost—and the strain has already been too great for some businesses and others will follow in the line of failure if things continue as they have in recent years. Business has cooperated and collaborated with government—especially during the earlier years of the present administration, first through NRA and then on through various other alphabetical "soups" until they were proven undesirable, impractical and detrimental—and it is not at all surprising that at this late date even many Democrats in the legislative halls who have stood by the President are now opposing him in many instances. This is one of the encouraging signs for the future—the "yes" men have turned "about face".

—o—

"If we try to save democracy by going out all over the world and fighting for it, we will lose what we have," said Thomas A. Bailey, professor of history at Stanford. "United States has no God-given mandate to fight for democracy. We can keep out of European wars if we so desire. There is no need to be hysterical about the fate of democracy. We have more to fear from forces at home than from all the dictator nations. Apathy, ignorance, incompetence and graft in United States are our worst enemies—the worst enemies of our democratic form of government."

—o—

According to the Social Security Board, government aid to the needy amounted to $2,995,705,000 last year—exclusive of administrative expenditures. This compared with $2,332,769,000 in 1937, or an increase of more than $600,000,000. It is estimated that "6,500,000 households . . . about 20,900,000 persons, received public aid in December." If we are now in a recovery period—as the Roosevelt administration tells us—may the Lord have pity on us when a depression comes along.

—o—

Perhaps the reason some die young is that they do not live long enough to learn how to be bad. We get that idea from knowing a good many persons who did live that long.

Other Editors

TO CORRECT INJUSTICE

Covina Argus: Having looked everywhere for more tax revenue, and coming to a point where additional tax sources are non-existent, congress has finally concluded to tax its own membership, says the round-table cynic.

This remark is prompted by the passing at this session of a bill permitting taxation by states of all federal salaries, and providing for taxation of state and municipal salaries.

We like to think, however, that congress is taking a belated step to correct an old injustice. Why there should ever be any exemptions from taxation of any source of wealth is incomprehensible in a democracy, where the government, at least theoretically, is for the benefit of all of the people, and should be paid for by all of the people. That a person is employed by the government should not be good reason for making a special exemption class of him. True, all public employees are paid out of tax moneys, and for them to return a portion of it into the treasury has been argued as unnecessary, in that salaries may be cut at any time if it is considered that they are not contributing their share. But this argument lost force when civil service came in, fixing salaries of all kinds and sizes, making them untouchable, and, as we all realize, providing a method by which salaries may be increased in regular intervals, mostly because of length of tenure rather than upon any idea of increasing efficiency.

It is a step in the right direction to cause public employees of all grades to pay taxes on their incomes, and let us hope that it will lead to the doing away with tax-exempt bonds of all kinds. We are all in the same boat, sink or swim. We should all pay, according to our ability to pay.

LOOKING FOR TRUE SIGNS

San Bernardino Sun: A beaten path across a hillside or through a wood rarely runs straight. It turns aside for obstacles, makes concessions to uneven ground and the rise and fall of the slope or turns aside for the vantage or view of a better vision of the destination. Yet it was first made by the feet of men who were chiefly concerned to get through directly and quickly.

Most of the highways of life run likewise crooked, curving and twisting constantly from the straight path of intention. Little things block the trail, and it is easier to avoid them than to remove or surmount them. Tempting paths of easy going are offered on either side. Sometimes the straight trail is lost beyond recovery; often it is won again only after much time wasted in wandering.

Most of us start out in confidence and determination toward a chosen goal. We hold fast to our course so long as good intention is fresh; we lose it when the distractions of the way steal our eyes from the goal ahead. This is the most tragic wastage of the world, whereby high hopes go for nothing and human strength and talent are lost to the service of mankind. Such waste is avoided by looking for guidance both backward and forward—back to the zeal of the beginning and forward to the hope of the end.

LET'S BE CONSISTENT

Huntington Beach News: Free Billings, Governor Olson! Let no red tape deter you. You pardoned Mooney. Billings was convicted of the same crime. True he was convicted once before. But Mooney's record, before the bombing, was no pink tea program either. Of course Billings wasn't the head horse. We know that. Mooney was. And Mooney has had the swell publicity as the people's martyr. But Billings was in the same bed with Mooney. Let's be consistent, Governor. Free Billings. Then have another "Governor Olson Barbecue and Jitterbug Contest" for all the people at the state fair grounds. That gets 'em. Only this time when you make a Roman holiday of the pardon circus, call it "Billings Barbecue" and give him a break. Why let Mooney lead the parade all the time.

TYPOGRAPHICAL TRAGEDY

San Bernardino Evening Telegram: Every lover of the printed word must stand with Frederick William Goudy today as he gazes at the tragic ruins of a converted water mill on Marlboro-on-the-Hudson.

The mill was Goudy's workshop, and when it roared up in a midnight fire, ashes, blackened timbers, fused masses of metal were all that remained of the original designs, matrices, and other paraphernalia relating to the 107 type faces designed by Frederick Goudy.

No man who reads books or any other well-printed matter today is without a debt to Goudy, an artist and a master craftsman.

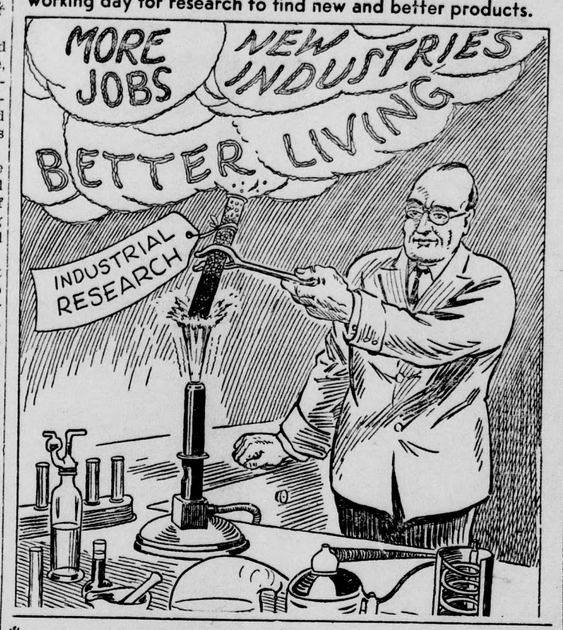

But Frederick Goudy has, in spite of everything, a satisfaction that is given to only a few men. He knows that not fire, not death itself, can wipe out the beauty he created and gave to the world.

RHEUMATISM

RELIEVE PAIN IN FEW MINUTES

To relieve the torturing pain of Rheumatism, Neuritis, Neuralgia or Lumbago, in a few minutes, get the Doctor's formula NURITO. Dependable—no opiates, no narcotics. Does the work quickly—must relieve worst pain, to your satisfaction in a few minutes or money back at Druggists. Don't suffer. Use NURITO on this guarantee today.

Items Taken From The News Files of 14 Years Ago, 1925

Radio station KFWC, Upland's first broadcasting station, will go on the air at 8 o'clock Thursday night, it is announced by Cecil S. Myers and L. E. Wall, who have just received the government permit for their station, which they have erected in Stoddard's canyon. The program will be presented by Elizabeth Myers, piano; Harold Merchant, violin; Erwin Benson, trumpet; Vernon Sparks, cornet; Owen Decker, baritone; Archie Moore, baritone, and Mrs. C. I. Linkey, soprano.

Through the courtesy of officials of the First National bank, a Stamm-Lawson radio has been installed and the bank officials and Messrs. Stamm and Lawson invite the public to hear a broadcast of President Coolidge's inaugural address.

Mrs. Edward C. Harwood was hostess yesterday to several friends who motored with her to Los Angeles and after lunching at the University club attended the symphony concert at the Philharmonic auditorium. In the party were Mrs. Harwood, Mrs. Earl H. Johnson, Mrs. J. Lynward Grahame, Mrs. Caroline Vermilye and Mrs. George T. Stamm.

Miss Ruth Crane, who has been nursing a patient at Santa Monica, has returned to her home here.

Mr. and Mrs. Clyde Way and family of Los Angeles were guests yesterday of Mr. and Mrs. Chas. E. Allen on North Third avenue. Mrs. Way will be remembered here as Miss Lillian Johnson.

Mr. and Mrs. W. C. Cline and their house guests, Mr. and Mrs. Gordon C. Day and Mrs. Anna Myers, motored to Adelanto for an outing yesterday. While there they were surprised to meet Mr. and Mrs. F. H. Manker and their son, Robert, who also were enjoying an outing.

Complimenting her aunt, Mrs. James Barret of St. Louis, Mo., Mrs. Geo. Byron Ford, Jr., was hostess Wednesday at a delightful bridge tea given at Red Hill Country club.

Mrs. Harry C. Kennedy has returned from Camp Baldy, where she visited for a few days with Mr. and Mrs. Lyman Clark.

W. C. Scheu of the Scheu Orchard Heater Co., will leave tomorrow for New York and Florida, the trip being made in the interests of his manufacturing business.

Miss Doris Smith, a student at the University of Redlands, will spend this week end with her parents, Mr. and Mrs. H. Gillette Smith, on West Tenth street.

Little Eugene Strawn, son of Mr. and Mrs. Leslie Strawn, had the misfortune to break his arm in two places while playing yesterday.

Mrs. Anna LaGrange of Rockford, Ill., is the guest of Mr. and Mrs. C. I. Linkey at their home on West Ninth street.

Mr. and Mrs. C. R. Sloan of Plainsville, Ark., are guests in the home of Mr. and and Mrs. E. A. Carter on Third avenue. They expect to make their home in California.

Appearing under the auspices of the Upland and Ontario Rotary clubs, Dr. Charles E. Barker of Grand Rapids, Mich., will deliver three lectures in the West End on Sunday and Monday. Dr. Barker is traveling lecturer for the Rotary clubs of the United States.

10 Years Ago News Of Upland as Seen In The News Files

All efforts to keep his matrimonial plans secret failed and yesterday Milton Huxtable, prominent Upland bachelor, stood before his fellow Lions at the club meeting convicted of the charge of filing an intention to wed in Ventura county. His bride-to-be was revealed as Grace Wire of Pomona. Mr. Huxtable left this morning on leave of absence from Mac's drug store, but the time and place selected for the wedding was not revealed.

The Upland cafeteria on East Ninth street has changed ownership, the new proprietors, Mr. and Mrs. Ralph Mishler, taking charge today. They purchased the business and equipment from Mr. and Mrs. Gus Bergman.

Marion Maxwell, son of Mr. and Mrs. T. D. Maxwell, who submitted to an emergency operation for appendicitis Sunday at San Antonio Community hospital, is now improving satisfactorily.

Miss Janet King of Eleventh street has accepted a position as clerk at Danner's bakery.

Leaving Saturday morning for San Diego, Mrs. A. N. Baker will be the week end guest of Dr. and Mrs. W. N. Murray of Minneapolis, who are spending the winter in San Diego.

Mrs. C. E. Flint of Blaine, Wash., is visiting her former schoolmate, Mrs. J. H. Freeman of West Vernon drive.

Mr. and Mrs. Elliott Walker, who spent the past month as guests of Mr. and Mrs. E. A. Dart on West Fourteenth street, will go to Long Beach Saturday for a visit before returning to their home in British Columbia.

Mrs. Earl H. Johnson's sweet peas are blooming. She has a hobby and a pet charity, flowers and the sick baby fund for the San Antonio Community hospital. The two, the hobby and the charity, work together. Mrs. Johnson sells her sweet peas to whomsoever will buy and turns the money over to her sick baby fund.

Royal V. Ward, Upland engineer, has been named superintendent of San Antonio Water Co., it was announced today by A. C. Reynolds, secretary-treasurer. Mr. Ward succeeds Robert Manley, who resigned this week after having served as superintendent for 32 years.

Mrs. John B. Ruyle of Champaign, Ill., and her three children arrived yesterday for a visit with her uncle and aunt Mr. and Mrs.

State Picnics

ARIZONA

The annual spring picnic reunions for four great southwest states will be held Saturday, March 11, in Sycamore Grove park, Los Angeles. Each state will have its own separate section of the park and will open county registers for enrollment.

Hot coffee will be served and silk souvenir badges supplied. A splendid program of music and addresses will follow the basket picnic dinner hour. Everyone who ever lived in either of these four states is invited to meet old friends this way.

Harry S. Fies 1142 Washington boulevard. Mr. Ruyle is expected to arrive later in the spring.

Clair Kirk will observe his birthday anniversary tomorrow and in celebration of the event he and Mrs. Kirk, Miss Clara Lou Nisbet and Eugene Nisbet of Upland and Hal Warner of San Clemente will motor to Los Angeles, where they will see "The Swan" at the Majestic theatre.

The Rev. and Mrs. Joshua Bacon, 266 Campus avenue, were pleasantly surprised by the arrival yesterday of Mrs. Bacon's brother and sister-in-law, Mr. and Mrs. Charles Manley and daughter, Hilda, and Mrs. Manley's cousin, Mr. Burckholder, all of Toronto, Canada.

Mrs. Perry O. Long of Campus avenue has as her guest Miss Alberta Graham of New York City, Miss Graham is a trained nurse and is on vacation, having come to California by way of Panama.

THE AWFUL PRICE YOU PAY FOR BEING NERVOUS

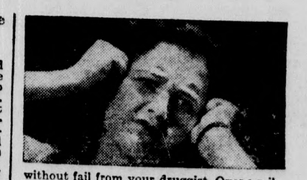

Check Below And See If You Have Any Of The Signs

Quivering nerves can make you old and haggard looking, cranky and hard to live with—can keep you awake nights and rob you of good health, good times and jobs.

Don't let yourself "go" like that. Start taking a good, reliable tonic—one made *especially for women*. And could you ask for anything whose benefits have been better proved than world-famous Lydia E. Pinkham's Vegetable Compound?

Let the wholesome herbs and roots of Pinkham's Compound help Nature calm your shrieking nerves, tone up your system, and help lessen distress from female functional disorders.

Make a note NOW to get a bottle of this time-proven Pinkham's Compound TODAY

without fail from your druggist. Over a million women have written in letters reporting wonderful benefits.

For the past 60 years Lydia E. Pinkham's Vegetable Compound has helped grateful women go "smiling thru" trying ordeals. Why not let it help YOU?

Upland News Classifieds Bring Results

KERMOTT LOOKS ON PRISON TERM AS CHANCE TO STUDY

Uplander Hopes to Improve Craftsmanship For Use On Return

Just before leaving for San Quentin, Jack Kermott, Uplander, indicated to friends that he has no feeling of bitterness against anyone and that during his confinement in prison he is going to improve himself educationally as much as possible.

Characteristic of him not to complain and to accept circumstances and to make the most of conditions, Kermott's statement about his future was related Tuesday just before beginning a term in prison.

DEPARTURE DELAYED

Following conclusion of the trial proceedings, it was announced that Kermott would be taken north immediately. It developed, however, that his departure was delayed and he had been in the county jail since then.

Persons who know Jack personally and who were advised of his comments just before leaving remarked: "That is just like him—and when he comes out he will not hold a grudge."

About The Upland News, the prisoner had a good word. "Tell the people on the paper that I appreciate their fair attitude and the manner in which the stories were handled," Kermott directed a friend.

While in San Quentin the Uplander hopes to take an electrical course. "He feels now that he has an opportunity to get an education along his favorite line," commented the friend. "He looks upon the whole incident as very unfortunate and says he will try to make the best of his stay in prison."

ONE TO 10 YEARS

Kermott was convicted of manslaughter by a jury in Judge Allison's court. His sentence is from one to 10 years in San Quentin. A prison board will determine the length of his stay. James Kermott was killed Nov. 30 at the Jack Kermott home and the sentence was the outgrowth of that incident.

In the meantime, the defense attorney, Fred Wilson, will appeal the case to the district court on the grounds that errors were committed by the prosecution and that the judge erred in prohibiting certain testimony to be presented.

At the Theatres

SHIRLEY TEMPLE'S LATEST NOW SHOWING AT FOX

Madeleine Carrol, first in the hearts of beauty appraisers everywhere, returns to the screen for a fling at romance with handsome Fred MacMurray, her new leading man, in "Cafe Society," which opens Sunday at the Fox theatre in Pomona. Shirley Ross, as chief runner-up for MacMurray's affections, completes the starring trio.

On the same bill is a picture of equal importance starring Charlie (Sawdust) McCarthy and W. C. Fields in "You Can't Cheat an Honest Man," which promises to be biggest laugh hit of the year. Don't miss these two A pictures.

Closing Saturday at the Fox is Shirley Temple's latest technicolor picture, "The Little Princess," and "Torchy Blane in Chinatown," with Glenda Farrell and Barton MacLane

PASADENA PLAYHOUSE

There'll be a full barrage of laughter when "Brother Rat" takes over the Pasadena Community Playhouse stage on Tuesday, March 7, for a two weeks showing.

Life in a military academy, as described by two former "inmates," John Monks, Jr., and Fred Finklehoffe, becomes a long row of frying pans with an accompanying row of fire jets onto which the cadets may hop. One scrape in their academy life leads to another, with a constant road from across the footlights as the audience reaction to one of the funniest shows of any year.

As a Broadway and national hit and as a picture, "Brother Rat" has left a long record of bursted buttons. The commandant's daughter, the hocked sabre, the examination papers are all blown backward and forward in the youthful spontaneity of the comedy. Added to this is the timely baseball game, coming with the Cubs and the White Sox as a major event of spring.

"Where the Blue Begins," current Pasadena Playhouse stage attraction, closes its run on Saturday, March 4.

Orange Show Queens Will Reign During Citrus Classic

Martelle Atwood Will Represent Upland During Exhibition

With Martelle Atwood named as "Miss Upland," this city will have a prominent place when "Queens" will rule the national orange show.

Each community in the county has selected a queen. On certain days throughout the San Bernardino citrus exhibition, various queens will rule. The winsome young women will be presented on the orange show stage and they will also be in charge of the San Bernardino County Chamber of Commerce booth during the day.

Miss Atwood was recently selected to represent Upland in the show. She is shown in the accompanying picture on the front row, the first one reading from left to right. Others in the picture are: Front row—Dorothy Lee Thompson, San Bernardino; Estherann Walker, Ontario; Marcia McConnell, Chino. Second row—Bearl Bye, Barstow; Arras Oliver, Bloomington; Lucille Cram, Highland; Mildred Neeley, Yucaipa. Third row—Joel Glines, Fontana; Edythe Wiedow, Twenty-Nine Palms; Bette Betterley, Big Bear; June Hoard, Colton. Fourth row — Elaine Langford, Mentone; Betty June Elkins, Needles; Helene Knox, Victorville; Donna Woodring, Mill Creek Canyon.

"Stand behind your lover, false woman," thundered the Scotsman. "I'm going to shoot you both."

4,231 RESIDENTS GET AGED PENSION

$139,161 Paid in County for Assistance During December

Old age aid was extended to 4,231 persons in San Bernardino county in December, 1938, according to a report on assistance to the needy aged recently made public by California Taxpayers' association. Aid to the needy aged in the county for that month totalled $139,161, which amounted to an average payment per individual aided of $32.89 for the month.

Over California as a whole, old age assistance payments were granted to 125,270 aged persons during December. This, the association stated, represents approximately 27 per cent of the population in the state over 65 years of age and amounted to a total aid extended for the month of $4,062,915, or an average of $32.43 per person aided.

The cost of old age aid in California for 1938 will total nearly $50,000,000, the association declared, pointing out that this represents about a tenth of the total cost of state and local government. The cost, according to the Taxpayers' organization, for 1938 will be divided $20,607,341 from Federal funds, $20,464,769 from the state, and $8,464,769 from the counties.

THE KITCHEN KEYHOLE

By LUCILE MARTENS,
Home Service Director, Southern Counties Gas Company

Once more the trees are full—the markets are full—and our fruit storage centers are full of golden ripe, sweet, California oranges. A bumper crop this time—fruit unusually wholesome, luscious, and consequently cheap.

There is no excuse for a vitamin C deficiency in our lucky valley. Orange juice every morning is just a matter of chilling the fruit in our automatic refrigerator over night, squeezing it in the morning—a matter of a few pennies each day. Orange juice should be prepared just before using—although if kept in the tray of your automatic refrigerator and allowed to freeze it is especially nice to use on top of your beverage on warm days.

Make orange marmalade for use later in the season—and use oranges as an accompaniment, salad or dessert. Countless possibilities face us as we seek ways of using up the crop of gold that our locality produces annually.

ORANGE SHERBET

1 cup milk
¾ cup sugar
1 cup heavy cream
1 egg white
2-3 cup juice (1 lemon and remainder orange juice).

Heat milk and sugar together. Cool, add juice and fold in the beaten cream. Freeze to a mush in trays of automatic refrigerator. Turn into chilled bowl, beat slightly, combine with stiffly beaten egg white which has had one tbsp. powdered sugar added. Return to trays. Freeze 3 to 5 hours.

ORANGE CHIFFON PIE
(Gelatine Filling)

4 egg yolks
1 tbsp. lemon juice
½ cup sugar
½ grated rind
½ tbsp. gelatine
4 egg whites
¼ cup sugar
4 tbsp. orange juice

Put first three ingredients in the top part of a double boiler and cook over boiling water until they are thickened. Remove from fire and add orange juice and grated rind. Add gelatine, which has been dissolved in 1-3 cup of cold water. Let cook. Then add the stiffly beaten egg whites, to which the ¼ cup sugar has been added. Pour into previously baked pie crust and chill thoroughly. Serve with whipped cream.

ORANGE MARMALADE
(Makes 12-18 Glasses)

4 medium sized (or 3 large) unpeeled Sunkist oranges, halved and sliced thin
4 unpeeled Sunkist lemons, sliced thin

Measure fruit and add five times as much cold water. Any time during next 24 hours boil hard for 50 to 60 minutes. This should reduce quantity one-half. Measure into 2 or 4 cup lots. Cooking 4 cups or less at one time gives a better flavor and color. If oranges were rather sweet, add additional lemon juice at this stage—about 1 tablespoon to 1 cup of fruit. Bring to boiling point. Boil 8 minutes. Add ¾ cup sugar for each cup of fruit. Boil the first lot rapidly until it gives the jelly test of thick reluctant drops from the side of the spoon—not more than 10 minutes. If longer time is required, boil next lot correspondingly longer before sugar is added. Pour into sterilized glasses. Cover with paraffin when cold.

Causes for variation: Sweetness or tartness of fruit and ripeness of fruit cause variation. Fruit is richer in pectin when first ripe, needs less cooking and will, therefore, produce the maximum number of glasses. Variations in clearness of finished product are due chiefly to this fact. The shorter the time, the clearer and more delicate the jelly. Time of cooking and size and shape of cooking vessel also cause variation.

Recooking of marmalade tends to darken and to make the flavor strong. If it does not quite jelly on first cooking, stand in sunshine without paraffin for 24 to 36 hours.

ORANGE JELLY AND MARMALADE
(Makes about 4 glasses jelly and 2 glasses marmalade)

2 unpeeled Sunkist oranges
1 unpeeled Sunkist lemon

Slice fruit very thin. Measure and for each cup allow 4 cups water. Bring to boil. Boil 30 minutes.

For jelly: Strain off 4 cups of clear juice. Bring this juice to boil. Add ¾ cup sugar for each cup juice. Boil hard until it gives the jelly test of thick sheet-like drops from the side of the spoon. Pour into sterilized glasses. Cover with paraffin when cold.

For marmalade: Take remaining fruit and liquid, add ¾ cup sugar for each cup, and proceed as when making jelly.

Note—This makes a thick marmalade with much orange peel and is especially good for cooking purposes where the marmalade is used for flavor.

If marmalade is not desired, strain off all clear juice after first boiling and make into jelly.

GIRL SCOUTS LIST EVENTS FOR MONTH

Activities for March Include Important Events for Girls and Leaders

Girl Scout activities in the Chaffey district, under the direction of Miss Florence Kooyman, will include a number of interesting events during March.

The regional conference now in session in Berkeley, is being attended by several officials and leaders from the Chaffey district and they will bring back interesting reports.

LEADERS MEETING

A dinner meeting will be held by the Leaders association at Scout house next Tuesday evening, the dinner being served at 6:30. The dinner committee includes Mrs. Ronald H. McLennan, Mrs. Basil Davis, Miss Betty Carrol and Miss Ruth Van Fleet.

SENIOR SCOUT PARTY

Senior Girl Scouts will gather at Scout house on Friday, March 10, for a party, the hours being from 7 to 9 o'clock. The committee arranging for this event will be Miss Margaret Nelson, chairman; Miss Frances Heminway and Mrs. Arthur Pehl.

BIRTHDAY WEEK

March 12 to 18 will be observed as Girl Scout Birthday week, the local Scouts joining in the national celebration.

On March 23 a field institute will be held at Riverside, this event being for all adults in the organization.

ANNUAL RALLY

One of the big events of the month will occur on March 31, when the annual rally will be held in the Chaffey gymnasium. This rally will be of interest to all Brownies, Girl Scouts, Senior Girl Scouts, leaders, council members, committee members, parents and friends.

One discovery made by strathosphere flights is that the air at such heights, although much rarer than near the ground, contains about the same percentage of oxygen.

With exceptions noted, these prices are effective through Sat., March 4, in Safeway-operated departments of stores within 35 miles of Los Angeles

SAFEWAY

Sales tax will be added to the retail prices on all taxable items.

3 KITE SAFETY RULES

1. Fly your kite in an open field. Keep it far away from power lines.

2. Be sure the string is perfectly dry. Never use wire, tinsel string or cord that is damp from rain or fog.

3. If your kite catches in a power line ... let go! Do not pull it. Phone the service company to whom the line belongs and a lineman will come to get your kite for you.

Parents: Impress these safety rules upon your children, and they will know all the joys of kite flying with none of the dangers which attend carelessness.

NEWS OF SOCIETY AND CLUBS

Women's Bible Class Enjoys Meeting in Church Parlor

Marked by a unique program including various contests and stunts and many pennies, the March meeting of Mrs. Hughes' Bible class of the Methodist church was held Tuesday evening in the church parlor and was a delightful event.

A routine business session was held, with Mrs. L. E. Griffith presiding, and the social hour followed.

Mrs. Ralph H. Marr, Mrs. G. C. Mitchell and Mrs. Howard Hill were the hostesses and they conducted a series of games, contests and stunts. Many of them involved a Lincoln, Washington or valentine theme and all produced a revenue of pennies for the class treasury and a great deal of merriment for the participants.

The games were followed by a tea hour, with Mrs. Mitchell and Mrs. Hill presiding at the tea table, which was decorated with sweet peas and flowering peach.

Attending the party were Mrs. L. E. Griffith, Dr. and Mrs. Samuel Hughes, Mrs. Geo. C. Foote, Mrs. William Campbell, Miss Elizabeth Fossett, Mrs. Ella Eastlack, Mrs. Clara R. Jacobs, Mrs. Howard T. Mitchell, Mrs. C. E. Spence, Mrs. Hugh McLellan, Mrs. L. H. Cortright, Mrs. C. M. Chambers, Mrs. Ralph H. Marr, Mrs. G. C. Mitchell and Mrs. Howard Hill.

Edwin C. Chapman Is Happily Surprised On His Birthday

A number of friends had the pleasure of joining Edwin C. Chapman in a happy celebration of his birthday anniversary Tuesday evening, when Mrs. Chapman entertained in his honor with a surprise party at their home, 52 East West street.

Chinese checkers and other popular games provided amusement for a time and Mr. Chapman gave the guests the pleasure of seeing the motion pictures he has made of picnic gatherings and of interesting places visited on various trips, including a trip to Yosemite last summer. Late in the evening Mrs. Chapman served delectable refreshments.

Present for the party were Mr. and Mrs. Edward Braman of Pomona, Mr. and Mrs. Homer Briggs and Raymond and Richard, Mr. and Mrs. Arthur Monday, Mr. and Mrs. Harley Jackson, Mr. and Mrs. H. W. Swinney and Mr. and Mrs. Herman Baker, all of Ontario; Mr. and Mrs. C. D. Daniels, Mr. and Mrs. E. C. Chapman, parents of Mr. Chapman; Mr. and Mrs. Edwin Chapman and their children, Edwin, Jr., and Charles.

Firemen's Wives Club Enjoys Party at Fontana Inn

Motoring with her guests to the Fontana Inn, Mrs. F. H. Manker was hostess Wednesday at a merry party held by the Firemen's Wives.

Luncheon was served at 1 o'clock and for the table Mrs. Manker used a springtime decorative arrangement of green candles and white sweet peas, with trailers of fernery on the white linen.

A bridge tourney followed the luncheon and at the conclusion of the games Mrs. Manker awarded first prize to Mrs. I. J. Linkey. The traveling prize was won by Mrs. G. A. Brest and Mrs. Milton Huxtable received the consolation award.

Attending the party were Mrs. C. K. Francisco, Mrs. Milton Huxtable, Mrs. Gordon C. Day, Mrs. Glenn M. Atwood, Mrs. G. A. Brest, Mrs. Bert C. Nichols, Mrs. E. C. Mehl, Mrs. W. C. Cline, Mrs. L. N. Kirk, Mrs. I. J. Linkey, Mrs. F. H. Manker, and a guest, Mrs. Chas. V. Benson.

Miss Betty Anderson Entertains Club At Her Home

Members of the Eight Bridge club were guests of Miss Betty Anderson Monday evening, when she entertained with a merry party at her home, 324 North Third avenue.

Some time was spent playing bridge, with Miss Peg Wallace receiving the high score prize. Miss Marian Johnson won the traveling prize and the consolation award was presented to Miss Vivian Chambers.

The card tourney was followed by the serving of refreshments. Miss Anderson used flowering peach blossoms and other spring flowers in her decorations.

Attending the party were Miss Peg Wallace of Ontario, Miss Marian Johnson, Miss Vivian Chambers, Miss Marie Standlea, Miss Nellie Jones, Miss Martelle Atwood, Mrs. Roger Moore and the hostess.

Star Auxiliary Will Meet Wednesday

March meeting of LaEstrella Auxiliary, Order of Eastern Star, will be held next Wednesday at the home of Mrs. E. E. Pember, 117 West Arrow highway. The usual contributed dish luncheon will be served at noon and the assisting hostesses for the day will be Mrs. Ray C. Norton, Mrs. Geo. P. VonStein and Mrs. D. D. Crew.

Bridge Club Members Go To San Pedro For Party

Mrs. Russell Dinger entertained members of her bridge club Thursday at her home in San Pedro, the group motoring over from Upland for the day.

Using a St. Patrick's day theme in her decorations and appointments, Mrs. Dinger served a tempting luncheon and the afternoon was spent playing bridge. At the conclusion of the tourney, first prize was awarded to Mrs. Darwin Brest. Second prize went to Mrs. Howard Paulin and traveling prize was won by Mrs. Ellis Pittenger.

Attending the party were Mrs. Erwin C. Koch, Mrs. Howard Paulin, Mrs. Darwin Brest, Mrs. Harry Woodruff and Mrs. Alvin Finn of Upland; Mrs. Arthur Allen of Alta Loma, Mrs. Ellis Pittenger of Los Angeles and Mrs. Dinger.

Red, White and Blue Club Is To Hold Gift Shower

A shower of gifts for the kitchen in the W. R. C. memorial hall will be held during the meeting of the Red, White and Blue club next Tuesday, when the members gather at the home of Mrs. T. A. Evans, 691 East Ninth street.

The usual contributed dish luncheon will be held and each one is to bring her table service. A social afternoon will follow.

The kitchen shower will be the important feature of the day and all members are urged to remember to bring some article of kitchen equipment.

* * *

Club Members Guests Of Mrs. Waterman

Mrs. Mary Waterman was hostess to members of the Merry-Go-Round club Wednesday, entertaining at her home, 309 North Laurel avenue.

The guests were served an excellent luncheon at a table adorned with sweet peas, and a pleasant social afternoon was enjoyed.

Present for the party were Mrs. Etta Johnston, Mrs. E. A. Cooley, Mrs. Minnie D. Goodrich, Mrs. W. H. Scholten, Mrs. W. A. Eastlack, Mrs. W. F. Goodban, Mrs. J. M. Hawthorne, Mrs. Claude B. Mattox and Mrs. Waterman.

Members of Brownie Pack Entertain at Tea for Mothers

Members of Brownie pack No. 2 were happy hostesses Monday afternoon, when they entertained their mothers at tea in St. Mark's parish house. Mrs. B. F. Leete and Mrs. Ralph Sage are leaders of the pack.

For entertainment the children presented a clever musical playlet that delighted their elders.

Following the play the youthful hostesses served tea.

The pack members entertaining their mothers were Gloria Goslin, Cornelia Van Dorin, Betty Carter, Margaret Allen, Barbara Clark, Patricia Wetherbee, Patty Bice, Rosemary Mitchell, Yvonne Leete and Lydia Thompson.

Evening Meeting To Be Held March 14 By Upland P.-T. A.

Upland Parent-Teacher association will hold an evening meeting on Tuesday, March 14, it is announced by the association president, Mrs. J. B. McCarter.

The meting will be held at the Upland junior high school building and a program is to be arranged for the occasion.

Friends Enjoy Buffet Supper and Party At Flum Home

Providing a very pleasant evening for a group of their friends, Mr. and Mrs. Arthur Edw. Flum entertained Wednesday evening with a buffet supper and bridge party at their home, 130 Hawthorne drive, Ontario.

A closely contested bridge tourney was enjoyed, with Mr. and Mrs. Ralph A. Sage winning the high score prize.

With a thought for St. Patrick's day, Mrs. Flum featured the green shamrock of Erin in her decorations. A delectable buffet supper was served.

Guests of Mr. and Mrs. Flum were Mr. and Mrs. Don Harrison of Pomona, Mr. and Mrs. Ralph V. Arnold, Mr. and Mrs. Daniel B. Milliken, Mr. and Mrs. J. B. McCarter and Mr. and Mrs. Ralph A. Sage.

Members of Wesleyan Guild Gather for Dinner Meeting

Miss Florence Armstrong and Miss Lois Kent were hostesses Tuesday evening to members of the Wesleyan Service Guild of the Methodist church, the meeting being held at their home on West Twenty-fourth street.

The hostesses, assisted by Miss Isabel Walker and Mrs. Harold W. Cook, served an excellent 25c dinner, the proceeds going into the class treasury.

With Miss Jessie Brown, Guild president, presiding, Mrs. Vernon V. Paine conducted a devotional service and a brief business session was held.

As program chairman, Mrs. Fred Rickel presented Mrs. Howard T. Mitchell, who gave an exceptionally interesting review of a chapter in the missionary study book, "The American City and Its Church." The remainder of the evening was spent socially.

Attending the meeting were Miss Jessie Brown, Mrs. Fred Rickel, Mrs. Earl Wenger, Mrs. Elmer Allen, Mrs. Harry A. McPheeters, Mrs. Clifford Jellison, Miss Hazel Miller, Mrs. C. Ernest Olson, Mrs. Henry Anderson, Mrs. Wilson Gillingwators, Miss Esther Anderson, Mrs. Vernon V. Paine, Mrs. Howard T. Mitchell, Miss Isabel Walker, Mrs. Harold W. Cook, Miss Lois Kent and Miss Florence Armstrong.

Mrs. Eva Alford Home From Long Sojourn In Florida

Mrs. Eva Alford has returned from an extended and enjoyable sojourn in Florida and is now spending a few days at the home of her sisters, Mrs. Ida Miner and Miss Leona Hamner on East Eleventh street. She expects to go to Long Beach nevt week.

Mrs. Alford and her friend, Mrs. Julia Matthews of Long Beach, left on Nov. 15 for their southern trip, going first to Kansas City, Mo., and Birmingham, Ala., to visit with friends.

In Florida they stopped first in Jacksonville and went from there to St. Petersburg on the west coast, remaining there for six weeks and enjoying the balmy, pleasant climate.

A cruise to Havana was one of the several highlights of the entire trip, Mrs. Alford states. Returning to St. Petersburg for a time, Mrs. Alford and her friend crossed to the east coast and spent some time at Miami, Palm Beach, West Palm Beach, St. Augustine and again in Jacksonville. They were delighted with all the places they visited in Florida.

Returning home they stopped in New Orleans and had the pleasure of being in that city during the famous Mardi Gras. Through a fortunate circumstance they had the privilege of attending the very brilliant grand ball.

In San Antonio, Texas, they visited with friends and they spent several days in El Paso visiting with two sisters of Mrs. Matthews.

While Mrs. Alford found the winter climate in Florida delightful, still she quite prefers California the year around.

PRESBYTERIAN CHURCH
Rex Elder Lawhead, Minister

10:00—United worship service. All age groups meet in the sanctuary for this service. The choir will sing "Seek Ye the Lord" by Roberts. The subject of the pastor's message will be "Pagans in Upland."

The church at study. Classes for Bible instruction for all age groups meet immediately following the worship service.

6:15—Evening worship and message. The worship service will be conducted by the young people.

6:45 — Discussion groups for both young people and adults.

Wednesday, 6:30 — Fellowship dinner with program following.

Upland Club Women Hear James Mussatti List Requirements for Good Citizenship And Stress Responsibilities

Good character is a nation's and a citizen's shield of defense, and vigilance is the price of liberty, declared James Mussatti of Los Angeles Tuesday afternoon, when he appeared before the Upland Woman's club and delivered an address on "American Citizenship" that was replete with aphorisms which well might be made national proverbs.

Mr. Mussatti, one of the Southland's best known speakers, was secured for the club meeting by Mrs. L. R. Bradley, program chairman, and was presented by Mrs. J. Emery Sargent.

In developing his subject, the speaker emphasized the responsibilities as well as the privileges that each person inherits in his dual role as a citizen of the United States and of the state in which he resides.

Good citizenship, the speaker indicated, requires more than that a citizen merely refrain from law violations. A loyal and truly patriotic citizen must also lend active assistance in furthering good government in his country.

Declaring that a nation's truest foundation is a belief in God, Mr. Mussatti said the world is in need of a spiritual awakening.

As essentials of good government he listed spiritual and economic freedom for a nation's citizens and said a good citizen must have the spirit of a true religion and a real love for his country.

The greatest blessing in the world today is citizenship in the United States, the speaker declared. Without an intelligent population, a democracy cannot survive, he said, and he designated a sound public school system as the battlefield on which is fought the war against ignorance, prejudice, selfishness and disloyalty.

The wealth of America does not lie in the amount of money in circulation, he pointed out, but in the products of the labor of its citizens, and he declared there is no substitute for labor as a means of building and maintaining a great nation.

At the conclusion of his address Mr. Mussatti spent some time answering questions asked by the audience.

Preceding the address, Mrs. Lloyd A. Fox, club president, conducted a short business session, during which she called attention to the next club meeting to be held on March 14. In place of the usual luncheon, a Japanese tea will be held and Mrs. H. Gillette Smith, who spent several months of last year in Japan, will be the speaker.

The unusual value of the psychology and Bible literature classes being conducted for the club members, was stressed by Mrs. J. Emery Sargent, who urged the members to attend. The psychology class meets at the club house at 1:30 each Monday afternoon with Dr. Herschel R. Griffin instructing, and the Bible literature class meets at 2:30 on the first and third Monday afternoons of each month, with Prof. Wiley W. Mather as instructor.

At the conclusion of the meeting Mrs. Ray C. Norton's ways and means committee held profitable white elephant and food sales.

Funeral Rites for Mrs. Garrison Held Thursday Afternoon

Funeral service for Mrs. G. Walter Garrison, who passed away Monday night at her home, 237 South First avenue, was held at 2:30 Thursday afternoon at Richardson's chapel in Ontario, with the Rev. Larell Weiss of La Verne officiating. A large number of friends were in attendance and there were many beautiful flowers.

Music for the service was provided by Mrs. Edgar Rothrock, who sang "Rock of Ages" and "In the Garden."

Pallbearers were Walter Gunn, William Nugent, K. L. Benson, P. E. Garrison, Leland Davidson and Lyle Rathbun.

Interment occurred in Bellevue cemetery.

SILVER TEA DRAWS LARGE ATTENDANCE

Methodist Women Hold Circle Meetings at Homes Of Members

With more than 60 guests attending, the silver tea held Thursday afternoon by members of the Willing Workers circle of the Methodist Woman's Aid society was a delightful social event as well as a very successful financial project, a satisfactory sum being realized for the circle's treasury. The tea was held at the home of Mrs. John G. Anderson, 265 Euclid avenue, and Mrs. Mary Eckerman was co-hostess.

A large number of members of the three other circles and numerous other friends were among the guests.

A St. Patrick's day motif was used in the decorations, the smartly appointed tea table being graced with shamrock and white flowers. Mrs. Samuel Hughes and Mrs. Etta Johnston presided at the table.

During the afternoon the guests were entertained by Mrs. Howard T. Mitchell, who sang several selections, and Mrs. B. T. Marquis, who gave a group of readings. Mrs. Geo. W. Cassel was piano accompanist for Mrs. Mitchell.

The tea, from 3 to 5 o'clock, was preceded by the regular circle meeting, with Mrs. Harry A. Cooley presiding, and routine matters were given attention.

EAST SIDE CIRCLE

More than 30 members of the East Side circle met at the home of Mrs. Ralph H. Marr, 170 North Tenth avenue, for a 25c luncheon. Mrs. A. H. Stull was the assisting hostess.

Mrs. Thos. H. Settle conducted a brief business session and plans were made for a flower plant sale to be held by the circle during the Methodist women's all-day meeting next Thursday. After the meeting adjourned a large number of the members attended the Willing Workers silver tea.

ORANGE DRIVE CIRCLE

Only a brief business session was held by the Orange Drive circle at the home of Mrs. W. F. Kitchel, 1112 North Euclid avenue. Mrs. Charles Dinger presided and Mrs. William Littlewood conducted the devotional service. The meeting was adjourned early in order that members might attend the silver tea.

N. E. W. CIRCLE

A 25c luncheon was served for members of the N. E. W. circle, who met at the home of Mrs. H. A. McPheeters, 793 North Third avenue, the hostess being assisted by Mrs. James E. Goodban, Mrs. Mabel Gannon and Mrs. Chas. E. Allen.

Mrs. W. A. Getty conducted the devotional service and Mrs. John E. Engle, the circle president, presided during the short business session. Several of the members attended the silver tea.

George: "Dull! Why, I almost wish I had brought my wife along."

WOMEN OF CHURCH HEAR MISS HARRIS

Presbyterian Women Meet at Church Thursday for All-Day Session

Making a plea for a more Christian-like attitude toward people of other races who come to this country, Miss Ruth Harris of Redlands was the program speaker at the meeting of the Presbyterian Woman's association held at the church Thursday.

Miss Harris, who is president of the Riverside Presbyterial, selected as her topic "American Christianity as Seen Through the Eyes of Other Races." In illustrating her statements she related stories of various young people who have come to America to secure an education or to work, regarding this country as the "land of promise," only to find themselves rebuffed and discriminated against as inferior persons.

Although they often are puzzled by such an attitude on the part of Christian people, they remain highly appreciative of the many opportunities afforded them, Miss Harris pointed out.

The freedom to worship as they please and the right to work for themselves are highly valued privileges, but all too often they are disillusioned in the American interpretation of Christian fellowship and brotherhood, Miss Harris declared.

WORK IS EXPLAINED

Miss Harris told of work being carried on in the New York schools to educate the younger generation as to the valuable contributions to civilizaion that have been made by the people of all races, the purpose being to create a fairer and more tolerant attitude toward those from foreign countries.

MEETING IS HELD

The business session was held at 1 a. m. with Mrs. Rex E. Lawhead, president, presiding, and in addition to transacting routine business, the association decided to have the basement rooms in the church redecorated.

At the noon hour luncheon was served by Mrs. G. Vernon Sleuman's group, more than 65 women being present. The tables were beautifully decorated, golden daffodils and acacia blossoms providing the springtime theme.

Preceding the afternoon session Roger Moore favored the group with a song.

OFFICERS INSTALLED

Miss Harris gave her address during the afternoon session and she also installed the recently elected officers.

Mrs. Lawhead was installed for her second term as president and the others taking office were Mrs. E. W. Fischer, first vice-president; Mrs. H. M. Guy, second vice-president; Mrs. A. L. Moore, recording secretary; Mrs. Kent W. Fuller, corresponding secretary, and Mrs. D. H. Ward, treasurer.

The committee chairmen installed were Mrs. Nellie Hofman, literature; Mrs. G. Vernon Sleuman, calling committee; Mrs. S. G. Moore, house committee; Mrs. A. H. Bridge, young people's advisor, and Miss Elizabeth Harris, community service.

Group leaders for the coming year were announced, they being Mrs. H. S. Bailey, Mrs. F. E. O'Brien, Mrs. Maud Brogan and Mrs. Carroll C. Hamilton.

An apron sale held during the day produced a nice sum to be added to the fund for the redecoration project.

Etiwanda

ETIWANDA, March 3. — At least two of the galloping teas which are adding zest to the social life in so many communities were participated in by Etiwanda women Monday. In one group Mrs. R. S. Jones, Mrs. Glen Shepherd, Mrs. J. S. Johnston, Mrs. N. D. Hickcox and Mrs. Lawrence Mueller motored to Claremont, where they were entertained by Mrs. J. H. Mallows, who called up Mrs. J. R. Bonnell, a former resident here, who joined the group at the Mallows home. Mrs. Will C. Pearson collected a group of women, including Mrs. Geo. F. Johnston, Mrs. W. G. Pearson, Mrs. O. H. Price and Mrs. Mary W. Kemp, and went to the home of Mrs. Fred Koch, where they found a hearty welcome.

Mrs. Agnes Hawkey and daughter, Mrs. Francis Wagner of Alta Loma, were luncheon guests of Mrs. John Scott Wednesday.

Mr. and Mrs. Nelson Utman were Etiwanda visitors Wednesday. Mr. Utman had luncheon with George Frost and Mrs. Utman spent the day with Mrs. H. A. Allen.

Mrs. Mary W. Kemp is again at her home here after a visit with her daughter, Mrs. Henry Jacques, and family at Van Nuys. On Saturday she entertained Mrs. Frank Wharton of Laguna and Mrs. Ray of Pomona. On Sunday Mr. and Mrs. Young and the latter's mother, Mrs. Morrow of Lynwood motored out, and with Mrs. Kemp went on to Running Springs park for a visit with her son-in-law and daughter, Mr. and Mrs. Robertson.

Mr. and Mrs. Russell Crews and little daughter of Ontario were guests of Mr. and Mrs. Sylvanus Kemp Monday. Mr. Crews is cashier in Smith's market on West A street in Ontario. He was a former resident of Etiwanda.

Arthur H. Johnson

In recognition of the quarter century of service he has so unselfishly given to Upland.

On the occasion of the dedication of the Upland City Hall on this third day of March, 1939, public recognition is hereby given to the valuable contribution of Arthur H. Johnson in the development of the community through his continuous service on the city council since 1914.

The quarter century of service is unique in the State of California, no other councilman having served his community so long and faithfully.

D. J. CAMERON,
Mayor
E. C. MEHL,
City Clerk
FRED H. JACOBS,
President Chamber of Commerce

Shown above is the wording of a certificate presented to Arthur H. Johnson in the city hall opening ceremonies this afternoon.

As California's veteran city councilman, Mr. Johnson has made an enviable record in service to his community. The public recognition was given as an expression from Uplanders to the man who has served continuously on the city's official body since 1914.

FORESTRY PROGRAM IS GIVEN BOOST

Joint Committee Approves $15,000,000 Request For Prevention

The law that is designed to eventually enable San Bernardino and Los Angeles counties to share in a $15,000,000 fund for forest fire protection today has its first approval.

Committees from the two counties met in Fontana yesterday to consider the proposal. It was adopted unanimously and will be sent to representatives in Congress for introduction in Washington, D. C. Efforts will be made to get Congress to adopt the measure and to appropriate funds at an early date.

In requesting that the $15,000,000 appropriation be expended at the rate of $1,500,000 annually, the bill declared that the funds should be used "to protect, develop and improve the natural cover of such watersheds; to carry on such reforestation as may appear necessary or desirable; to construct and maintain improvements for the protection of such watersheds from fire.

"To purchase necessary fire fighting equipment, including fire trucks; to employ personnel, and to institute and develop such measures other than steam channel improvements as may be necessary for the control of erosion, retardation of run-off and to provide for water conservation in above mentioned lands."

Stores Throughout Country Featuring Citrus Fruit Sales

The big wind that came whistling through Southern California two weeks ago blew down the equivalent of 6000 freight cars full of Navel oranges.

But there are still some 32,000 freight cars of the golden fruit left, including those in Texas, Florida and Arizona, and growers in the citrus belt are right up against the problem of selling the huge crop. And even if they find a way to do that, they will still have bumper crops of grapefruit, lemons and limes to dispose of before they can ring down the curtain on a successful 1938-39 crop season.

To help solve this problem, growers in the four leading citrus states asked retail stores—both chain and independent—to feature citrus fruit during the period from March 2 to 12. According to Harry Dameral, chairman of the California Citrus Stabilization committee, this request has met with immediate and enthusiastic response.

As a result, Demeral said, if a person goes into a grocery store during the sales drive he will find citrus piled high and priced low, if he goes into a fountain or restaurant he will find citrus featured on the menu, and if he goes into most any other kind of store—even some selling hats, shoes and dry goods—he's liable to find a colorful poster on display reminding him of the nutritious fruit. Upland stores are cooperating in this huge sales event.

In this way, Dameral pointed out, it is hoped to get rid of the bumper citrus crop even faster than the recent wind did it, and better yet, the crop will be gone with the consumer, instead of gone with the wind.

At one time, according to health authorities, cow's milk was responsible for nearly 25 per cent of all tuberculosis in humans.

A complete vacuum never has been created by man. A few atoms of the elements which comprise air are contained in all socalled vacuums.

DON'T be Disappointed--

California's World's Fair on Treasure Island has just recently opened. New York will be ready with its Fair in a few weeks.

You are probably planning to visit one or both of these beautiful pageants. If you do, you will see many amazing examples of modern progress, glimpses of life in the future in the "Cities of Tomorrow", and exhibits from all corners of the earth.

Why take a chance of having all your plans upset by the possibility of an emergency hospital bill? A sudden illness or accident and the resulting expense would eliminate all thought of vacation for many.

But here is the solution—**THE HOSPITAL SERVICE PLAN**. This Plan, through small regular payments, which will fit even the most limited budget, provides complete hospitalization for yourself and your family.

The Plaan is NON-PROFIT—there is no physical examination. **ENROLL NOW!** Many groups are forming—why not yours?

ASSESSOR TO GET STARTED MONDAY ON ANNUAL TASK

Valuations Will Be Estimated In District as of March 6, Is Report

Property and improvements in the Upland district will be assessed for 1939-40 taxes next week.

John Scott, deputy county assessor, will begin his annual check of local valuations on Monday. While it will take him several months to cover the list of property owners and estimate the valuaions, assessments will be on the basis as of the first Monday in March.

In keeping with the statewide plan, property will be assessed at 50 per cent of its actual value. Assessments are on a uniform basis now. Until a few years ago the assessment basis differed in various counties.

Prospective builders occasionally delay their work until after the assessment period has started and it is likely that construction activities will increase during March. Improvements made after next Monday will not be assessed until next year.

Mr. Scott will have his office in the new city hall. While he will be in various parts of his district most of the time, local property owners will be able to contact him through the city offices.

A close student of assessment problems, Mr. Scott has been on the job for many years. He confers with Max Cranmer, county assessor, and deputies regularly so that all the assessments will be made on the same basis and so that problems may be handled uniformly.

Men's Bible Class And Choir Members In Corona Meeting

Under the sponsorship of the Mens' Bible class of the First Methodist church, a layman's evangelistic meeting was held last evening in the Corona Methodist church.

The meeting was largely attended, many from Corona being present and a large delegation going from Upland.

Talks were made by members of a gospel team, including H. A. McPheeters, John E. Engle and Judge Fred H. Jacobs.

Members of the Upland church choir sang a number of selections, under the direction of Mrs. Howard T. Mitchell, and several members were sung by the Men's quartet, including E. H. Genung, Walter W. Horak, Ralph H. Marr and Bert Hendy.

More Singers for Easter Cantata Are Sought by Society

Uplanders interested in singing in the Upland - Ontario Oratorio society are urged to attend a rehearsal for the Easter cantata at 7:30 p. m. Tuesday in the Mennonite church.

Rehearsals will be held weekly and those in charge are appealing for singers to report next Tuesday.

CHURCH OF THE NAZARENE
John P. Mandtler, Pastor

Sunday morning prayer meeting, 9:15.

Sunday Bible school, 9:45 a. m. Eva Kennedy, superintendent. Classes for all ages.

Morning worship at 11:00. Message by the pastor.

N. Y. P. S., 6:30 p. m. Russel Crosby, president. The Class Meeting, the Hi-N. Y., and the Juniors will meet at the same time.

Evening service, 7:30. Uncle Bud Robinson of Pasadena will bring the message.

Monday — Church board meeting, 7:30 p. m.

Tuesday — Teachers Training class, 7:30 p. m.

Wednesday—Prayer and praise service, 7:30 p. m.

HONEST (?) HAROLD

Reseda News: When Honest Harold Ickes gave further indulgence to his laudable gift for calling hard names and referred to General Hugh Johnson as a "one-ring circus" it turned out that he woke up the wrong passenger. The general, who shines as the master of invective, retorts by calling Honest Harold the "official harlequin." Calling names at the capital is quite the thing nowadays, not as a habit, rather as a gift. It reflects a highly spiritual atmosphere.

BOOKS FOR MARCH READY AT LIBRARY

Wide Variety in Subjects To Be Found—Books Will Circulate March 7

Among the new books that will be on exhibit at the public library Friday night, March 3, are several of biography and autobiography, including the "Private Life of Sherlock Holmes," about which so many wonder. Scientific and amazing discoveries in caves and caverns are told by the author, Norbert Casteret, in his book, "Ten Years Under the Earth," mostly in Pyrenees.

Now that national health insurance is so much to the fore, it will be interesting to see how Great Britain solved her problem of "Health Insurance With Medical Care," which in the last 25 years has become a popular element in the British administrative scheme. Financial security in sickness is assured, and even the medical profession finds it a satisfactory source of income, considerably in excess of what was formerly received.

Two or three books concerning government spending, foreign policy, and dictatorship versus democracy; some few books on travel, a play or two, a few well selected books of fiction and several good volumes for the rental shelf, are among the books listed below, which will make their initial appearance Friday at the meeting of the Book Review club, Mrs. Geo. W. West in charge, in the Sarah Temple junior library, and go into circulation on the following Tuesday.

Lenten Discussion Monday Evening at St. Mark's Rectory

"Present Training for the Church's Future" is the topic to be discussed at the Lenten "At Home" at St. Mark's rectory on Monday evening at 7:30. The program will be in charge of the Rev. Geo. West Barrett, rector of the local parish, and the Rev. Alexander K Campbell, assistant to the dean of St. Paul's cathedral, Los Angeles. This is one of a series of Monday evening discussions being held at St. Mark's this Lent on the general topic, "The Church Advancing". All persons interested are cordially invited to attend.

Other Lenten activities this week at St. Mark's include the second of a series of sermons on "The Character of God" at 11:00 o'clock Sunday morning and women's meetings on Wednesday beginning with Holy Communion at 10:00 a. m.

Biblical Riddle Is Answered; Another One Is Propounded

Answer to the Scriptural riddle in rhyme that recently was propounded by Mrs. T. Kirk Vernon in The Upland News, was revealed this week by Mrs. Vernon, who stated that "The Whale That Swallowed Jonah" provides the solution.

The published riddle created much interest and a number of inquiries concerning the solution have been made.

However, only one person, Mrs. W. I. Doole, gave the correct answer, she having learned the riddle from her mother in her childhood.

The riddle, a century old, was submitted to The News by Mrs. Vernon, along with an interesting story of its origin.

SECOND RIDDLE

After reading the riddle submitted by Mrs. Vernon, Mrs. Doole recalled other ancient Biblical riddles she has heard and she submitted to The News for solution by its readers, this one:

"In times of old, as Scripture doth record,
There lived one who never knew the Lord;
He spake, and in it did no sin commit,
Yet in Christ's kingdom he shall never sit."

QUICK RELIEF FOR FEET

Guest Minister To Preach Sunday at Cucamonga Church

A special service this Sunday morning will bring to the Cucamonga Community church the Rev. Wm. Glenn Evans, pastor of the Methodist church at Del Rosa, in an exchange of pulpits with the local pastor, the Rev. William A. Tieck.

The Rev. Mr. Evans is one of the most promising young Methodist preachers in the district, having done splendid work in his charge, located near San Bernardino, during a pastorate of several years there.

During this time he has also attended the University of Redlands, and next year he plans to continue his study at Boston University School of Theology.

The Rev. Mr. Evans will use as his sermon theme, the second utterance of Christ from the Cross, thus preserving the continuity of a Lenten series of sermons being preached from the local pulpit. The minister will also teach a class in Sunday school. The exchange of pulpits will carry the Rev. Mr. Tieck to the Del Rosa charge in the same ministries.

NEW STYLES ARE FEATURED HERE; STOCKS VARIED

Upland Stores Displaying Spring Merchandise for New Season

Upland stores are ready to serve residents of the district with spring merchandise.

It's the start of a new season—and Upland merchants are displaying new dresses, hats, shoes, furniture and other spring merchandise to meet local needs.

Selections in Upland are wide. More and more local people are head expense and that naturally results in lower cost of operation and lower prices in the sale of the merchandise.

"We are glad to have people look at our merchandise, compare quality and prices," declared a local merchant. "It is impossible for stores in a small community to carry complete lines in everything. In almost every case, however, it is possible for a local merchant to fill the requirements. If the merchandise preferrd isn't in stock, it can be quickly obtained from the Los Angeles wholesalers."

Of special interest to householders is the fine display of new furniture at the Upland Furniture Co. New shades in upholstered sets are proving popular. New rug styles are also being displayed. More and More local people are finding the Upland Furniture Co. stock of high quality.

Other Upland stores are also featuring new items.

In some cases counterfeit money in Great Britain has been found to contain more silver than the money issued by the Royal Mint.

Mothers' Team Will Be Chaffey Event; Committees Named

With the serpent, shamrock and shellelagh appearing as typical St. Patrick's day symbols, the annual mothers' tea will be held by Chaffey junior college students March 16. Committees, announced this week, are headed by Peggy Grahame, social chairman of the Associated Women Students, who are sponsoring the affair.

Those who will assist her include: Mary Myers, decorations; Betty Bowen and Dorothy Culler, invitations; Ernest Fischer, Robert McMasters, Walter Roeben, Harry Woltman, Kelly Seay, Mabellu Hutton and Florence Sanchez, equipment; Kobe Shoji and Velma Wright, Emma Paulin, Harriet Donovan, Eileen Greear, Betty Duncan, Patricia Hill and Lois Jones, clean-up.

Mary Harnley, Janice Nesbit and Barbara Phibbs, refreshments; Jean Mehl, Mary Beth Chapman, Sally Toomey and Betty June Verity, serving; Virginia Gunther, publicity; Mary Ellen Rahn, purchasing, and Shirley Shepherd and Dorothy Benson, program.

NEW OWNER TAKES OVER HOFF DAIRY

P. J. Hoff Sells Dairy to Merl Kough—Will Make Home In Oregon

P. J. Hoff, who has been operating a dairy on West Arrow highway at Benson during the past five years, has sold his property and business to Merl Kough of Waterloo, Iowa, a boyhood friend of Mr. Hoff. Mr. Kough took possession of the dairy on Thursday. He will retain permanently the services of Mr. Brown, who is the present herdsman and milker, and Mr. Hoff and son, Glen, will remain for a short time to assist Mr. Kough in getting started.

Mrs. Hoff will leave at once for Albany, Ore., where the Hoffs will make their future home. The Oregon climate is expected to prove beneficial to Mr. Hoff's health. They will engage in the business of buying and selling stock, having already purchased a herd of hogs. Glen will enter the Corvallis business college. Mr. and Mrs. Hoff and Glen made numerous friends while living here.

Traffic Questions Answered Here

Q—Sveeral times recently I have narrowly missed some youngster riding a bicycle just after dusk. I was unable to see them because the becycles were not equipped with any sort of light. What can be done about that? T. L.

A—Parents and teachers can do much in this matter by seeing to it that their children take necessary steps to protect themselves. A white light visible to the front at night and a red reflector attached to the rear of the bicycle, which will be brightened by oncoming lights, is all that is necessary. That is the law.

Q—Is the law still in existence requiring cars to be equipped with mufflers? A small car virtually screeches by our home with muffler wide open late at night, waking everyone in the neighborhood and something should be done to stop it. Mrs. D. M.

A—The law still requires that any motor vehicle upon a highway shall at all times have a muffler in constant operation. You should complain to your local police department for relief.

Q—Are metal tires still alowed on motor vehices? M. A. H.

A—Yes, but the speed of such vehicles is limited to 6 miles per hour.

Q—Near where I live there is a narrow paved road that, in wet weather, becomes dangerous because the shoulders become slippery. One of my neighbors has a habit of parking his car in front of his house so that when I want to pass I have to take a chance in running one side of may car with the wheels off the highway. Is such parking as above outlined permitted? C. O. M. Jr.

A—The law states that in no event shall any person stop, park or leave standing any vehicle whether attended or unattended, upon any highway outside of a business or residence district unless not less than fifteen feet of the width of the paved or improved or main traveled portion of the highway opposite such vehicle is left clear and unobostructed for the free passage of other vehicles.

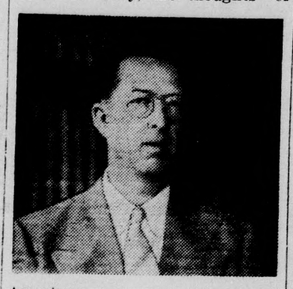

Q—Lately I have been annoyed by some new type of automobile horn that wails like a cold and hungry dog at night. It is a long, terrifying, annoying sound. Isn't there some relief somewhere against such needlessly loud and annoying things in motor cars? Mrs. F. M. A.

A—Horns on motor cars must be loud enough to be heard at a distance of not less than two hundred feet. However, the law does state, also, that no horn shall emit an unreasonably loud or harsh sound.

Printing that pleases—at The Upland News. tf

District Hancock Distributor Calls On Upland Dealer

With the question of independence and freedom receiving increasing emphasis in the unsettled world of today, the thoughts of

Americans are going back more and more to the early times of our country, when the struggle for independence was the paramount issue. Inseparably linked with those times and that struggle is the name of John Hancock, first signer of our Declaration of Independence, and ancestor of the founder of the Hancock Oil company of California.

This was pointed out by Fred Moore, distributor for Hancock gasoline in this territory, on a recent visit to Upland to see Tom Pallett, operator of Pallett's Service station at 711 East Foothill. Mr. Pallett has handled Hancock gasoline continuously for a number of years.

"One link between the two Hancocks of such widely separated years is undoubtedly reflected in the policy of the oil company in distributing Hancock gasoline through independent service stations and garages," continued Mr. Moore. "As a result of this policy the communities, of which the independent dealers like Pallett are residents and taxpayers, receive a stimulus to local business prosperity through money earned and spent within their boundaries."

JAPANESE NINE TO PLAY IN ONTARIO

Ball Park Will Be Scene of Game and L. A. Work-Out Sunday

Having recently returned from Japan, a Nipponese baseball team will provide the competition for the Ontario Merchants in Sunday's game at the Ontario ball park.

Preceding the Japanese-Ontario game at 2:15 p. m., the Los Angeles ball club will participate in its daily workout.

Manager Sims of the Ontario nine today pointed out that it is an opportunity for sport fans to see the Japanese team in action. The visitors toured the Orient last year and they are considered one of the best aggregations available as opponents for the Ontario team.

A large crowd is anticipated.

In making gelatin desserts a cup of fruit juice instead of water may be used, then flavor the sauce to contrast with or intensify it.

Hundred Per Cent Charity Day to End Santa Anita Races

An extra day—and the final day—of racing at the Santa Anita track will be Monday afternoon, March 13, and will be known as 100 per cent charity day. Four organizations are sponsoring the race program—the Elks, Shrine, Catholic Youth Organization and Jewish Welfare Agencies—and all proceeds from the benefit spectacle, including concessions, pari-mutuel and admissions, will be turned over to the participating groups.

Harold Lloyd will award the cup to this year's winner of the Charity Handicap, which will be the sixth race on the program.

There will be no increase in prices for this closing day of the Santa Anita season, it has been announced.

Conservation Week To Be Observed in State Next Week

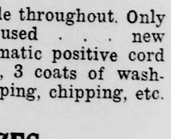

Organization of conservation committees has just been completed in 56 California counties for the fifth annual observance next week of California Conservation week.

With support enlisted from every major agency and organization interested in the conservation of the state's remaining natural resources, leaders of the observance were busy this week completing arrangements which began early last November.

The objective is to "provide a continuous program of conservation education in schools and homes to develop an attitude of mind and a way of living that is constructive, not destructive."

Legal Notices

NOTICE OF ASSESSMENT

Ontario Water Company, Location of Principal Office, 904 West Eighth Street, Upland, San Bernardino county, California.

Notice is hereby given that at a meeting of the Board of Directors held on the 1st day of March, 1939, an assessment of Three ($3.00) Dollars per share was levied upon each and every share of the subscribed capital stock of the corporation, payable immediately to E. E. Hawthorne, the secretary of the corporation, at the office of the corporation, at 904 West Eighth street, in the city of Upland, San Bernardino county, California. Any shares upon which this assessment remains unpaid on the 30th day of April, 1939, will be delinquent, and unless payment is made in the meantime, the said shares, or as many of said shares as may be necessary, will be sold at the office of the corporation at 904 West Eighth street, in the city of Upland, San Bernardino county, California, on the 30th day of May, 1939, at 10:00 o'clock in the forenoon of such day, to pay the delinquent assessment, together with five per cent penalty.

By order of the Board of Directors.

E. E. Hawthorne,
Secretary.

Office, 904 West Eighth street, Upland, California. 89-1

Cucamonga-Alta Loma

OFFICERS NOMINATED

Report of the nominating committee made Wednesday during the regular monthly meeting of the Cucamonga Central Parent-Teacher association, named Mrs. S. A. Wehn as president to succeed Mrs. Chick Ristine, who is completing her second term in that office.

Nominated for the other offices are Miss Dulcie Beecroft, vice-president; Mrs. A. D. Downs, treasurer; Mrs. Clarence Beekman, secretary; Robert Berg, program chairman; Mrs. Theresa Collier, publicity chairman, and Mrs. J. H. Riggans, chairman of the ways and means committee.

The election will be held at the April meeting; however, in this instance, the nomination is practically the same as an election.

Miss Beecroft, present vice-president, presided during the meeting Wednesday and routine business was transacted.

Mrs. Stella Boles, county supervisor of WPA libraries in schools, was presented by Mrs. Theresa Collier, librarian for the Central school. Mrs. Boles explained the operation of the libraries and told of the various interesting services performed by the library project.

During the tea hour that followed the meeting, Miss Theora Berry, member of the South Cucamonga school faculty, sang "Homing" and "Your Eyes Have Told Me So." She was accompanied by Miss Miriam Turton of Ontario.

Mrs. Burton Eberhart was hostess for the tea hour and was assisted by her daughter, Colleen Eberhart, an eighth grade student.

Robert Berg's seventh and eighth grades won the attendance prize.

Young People Thank Those Who Aided in League Convention

Arhur Sherbondy, convention manager, and the various committee members who worked with him in arranging and conducting the recent Epworth League Regional convention, deeply appreciate the generous assistance given the young people in caring for the more than 400 visitors here during the convention.

Many members of the Methodist church and a large number of friends in other churches extended the hospitality of their homes to the delegates, and to all of them Mr. Sherbondy and his assisants are very grateful.

Mr. Sherbondy states he also wishes to heartily thank all committee members and others who cooperated so efficiently in making the convention a success. No small part of the credit for entertaining the young people, Mr. Sherbondy said, goes to the large number of members of the Woman's Aid society who served the very excellent luncheons and dinners for the hundreds of delegates.

Nearly 200 new varieties of daffodils are discovered every year.

CHAFFEY LOSES TO FULLERTON, 52-39

Panthers To Play Again Tuesday in Effort to Get Conference Title

Just one more chance to upset Fullerton remains for Chaffey junior college Panthers as the result of the 52 to 39 defeat the local quintet suffered in the title series here last night.

It's no disgrace to lose to Fullerton, traditional hoop champions. While the final count might look like the Panthers were pretty badly drubbed, Chaffey gave the Hornets about all the visitors could handle. Quite often only a few points separated the scores of the hard playing rivals.

PLAY AGAIN TUESDAY

The feud will be continued on the Fullerton floor Tuesday night. A Chaffey victory there would send the series into a third game. Fullerton, however, has won over the Panthers in all their meetings this season—and most of the time in recent years. Championship of the Orange Empire conference is at stake. The winner will claim the title as Southern California junior college champions.

The high scoring race between Bob Doll and Tom Keesey continued last night, the Fullerton forward getting a five-point edge over the agile Panther center. Keesey's 21 points makes his season's total 135, while Doll added 16 counters to make his record 117.

SCORE EARLY

Fullerton scoring started early in the game and the Hornets never lost the lead. At half time the count was 25 to 20.

Box score:

CHAFFEY 39

Devore, F	4
Hershey, F	12
Doll, C	16
Terry, G	
White, G	6
Nelson, G	
Hargrave, G	1

Local Hoop Stars Complete 20-Game Season This Week

Upland junior high school basketball teams played 20 games during the season that ended this week. Half the games were won.

The ninth graders won six, four of them being victories over Fontana. Two victories were scored over Claremont, while Chaffey frosh defeated Upland in all three games.

Ninth grade lettermen are Marion Brown, Richard Eden, Keith Gingerich, Dale Hewitt, James Hogan, Richard Mawson, Robert Richards, Donald Scritchfield, Sheldon Swan and Harold Wingerd.

Eighth graders won four games and lost six. The score total was 117 for the eighth graders and 135 points scored by the opponents.

Winning letters were the following lettermen: Joe Rodriguez, Howard Drake, Crawford Anderson, Lowell Hays, Sheldon Hall, Richard Crider, David Myers, Gene Leete, Alan Carter, John Blanton, David Bice and Bradford Benson.

MARCH SCHEDULE AT COUNTRY CLUB

Golf Matches, Bridge Luncheon, Monthly Dance Among Month's Events

The month of March is going to be another busy and enjoyable month for members of Red Hill Country club, as the schedule of special events is a large one, and these are in addition to the regular activities engaged in.

Yesterday the third round of the mixed foursome golf tournament was played. Other events catalogued for March are as follows:

March 5—The golf teams of Red Hill and Redlands clubs will engage in a match in the Redlands course.

On March 9 finals in the mixed foursomes will be played.

The Red Hill and Redlands golf teams will play another match on March 12.

On the 15th a social event looked forward to by the ladies of the club and their invited guests—the monthly bridge luncheon—will be held, beginning at 1 o'clock. Hostesses on this occasion will be Mrs. Paul W. Nichols and Mrs. Dewey Harnish.

Secretary Tommy Sheehan also announced the names of five new members who have joined the club during the month of February, as follows: E. W. Nixon, H. M. Wright, M. L. Chapman, H. E. Zimmerman and J. H. Criswell. A number of persons from other districts are becoming members of Red Hill Country club, appreciating the advantages and the sociability of this family club.

The Upland Junior Welfare League have announced they will hold their afternoon tea at Red Hill on March 17.

KIDS

ANGELS' SCHEDULE FOR HERE LISTED

L. A. Ball Club Will Play Eight Exhibition Games During March

First of the series of eight exhibition games to be played by the L. A. baseball club on the Ontario diamond this month will be held Saturday of next week.

Three major league baseball teams will be the opponents along with Pacific Coast league teams.

Schedule of exhibition games on the Ontario park follow:

March 11 and 12—Angels vs. Merchants
March 16—Angels vs. Fullerton
March 18—Angels vs. Chicago White Sox
March 19—Angels vs. Seattle
March 22—Angels vs. Chicago Cubs
March 23—Angels vs. Pittsburgh Pirates
